Group Names and Schedule

Important

1. This Prayer Chain is for all Members of MIV Southern Africa.
2. Anyone who is not a member of MIV is free to join us – we are one body in Christ. The prayers can be adapted to his/her church name too.
3. The groups (Watchers) have not changed. Every MIV member must belong to a single group based on his/her primary unit in church.
4. If you have no unit, please join any group and remain committed to this group.
5. The Prayer points are attached. You are free to pray more than the prayers listed.
6. So that we do not have too many different groups on WhatsApp, group leaders should post info reminding their group members on the general MIV WhatsApp group. The two group leaders can post at the same time stirring up their team in corporate prayers. You can post on the general group and on your Centre group. For example, Bro Derrick can post on MIV SA group and the MIV Pretoria group or other pre-existing groups
